As requested, attached are my first two Case Management Conference request forms\*. Pursuant to S. 21(1) of the *Criminal Code* of Canada, I am **required** to attempt to end the ongoing court-enabled crime: hence, the copying of guilty parties and law enforcement in my e-mails.

As these matters are urgent, due to my current state of orchestrated poverty and homelessness, kindly schedule them as soon as possible.

Good afternoon,

Due to **another** unwarranted arrest/detention from 20231216-20240119, I was unable to participate in **any** of the proceedings listed at Legal Quagmire: [Ontario – SAQOTU Inc. \(pfi.rocks\)](#). Accordingly, I'll be seeking Case Management Conferences for **all** of them (except the Victor Vallance Blais Civil Action as my divorce is taking so long that Gomery's unlawful endorsement (see [VIS Gomery, Sally – SAQOTU Inc. \(pfi.rocks\)](#)) "expired" and I'm required to bring a Motion to have the file re-opened).

Would you like separate forms in order to schedule all of these? I was thinking that, as the entire Legal Quagmire is due to supporting Kiska's wicked divorce strategy, that we could simply wrap up the entire mess with a *Courts of Justice Act 21.9* event. If I can, I may even attempt to tie in my criminal matters as well! (Speaking of criminal, please see my current Witness List [Witness List – SAQOTU Inc. \(pfi.rocks\)](#) when I'll be using you to assist with my defence.)

The ongoing, taxpayer-funded human trafficking, terrorization and torture of me and children? Or, one .. multi-faceted .. trial? I look forward to your response.

Verily,

Deirdre Moore / Andeé Sea Cae Jak

Greetings Ottawa,

Again, for when is my case management conference for CV-23-91267 (see <https://pfi.rocks/the-darkumentary>) being scheduled? Would you mind providing your answer by end of day so I can begin to draft my third-party records Application for Quebec? (See attached application for legal aid.)

Curious: why is it that everyone else can get an endorsement/court order out of the Ottawa courthouse within one-to-seven days yet it takes weeks or months or years (if ever) for me? Is it because you're simply a taxpayer-funded front for organized crime (as illustrated on [my pinned tweet](#)) and Sean, Cate and I are your targets?

I'd really like to finally divorce your client—covert, malignant narcissist John Kiska: <https://pfi.rocks/organized-crime/vis/john-kiska>—and get my children, my pets, my home, my career and my reputation back before Cate turns 16 on November 30<sup>th</sup>, thanks. I feel I've been more than patient. And, your crew literally could not have produced more self-incriminating evidence over the years.

Looking forward to your reply.

PS. Me Gamache, please forward this evidence to Me Toulouse to supplement the testimony and evidence which I provided this morning. Constable Brown, see why your response (attachment #2) is beyond ridiculous?

Funny how all sorts of unlawful endorsements that favour perpetrators can be produced when I am falsely accused of crime & unlawfully detained; yet, I have to wait, literally, months for a simple decision (ie. CV-22-89804 from 20230801).

My children haven't heard my voice for nearly five years & I live in a homeless shelter on welfare while my husband/(MAG's & OPSB's client, Jonathan Kiska d.o.b. 29-Sep-60) lives in my \$2M home with my 100% gaslit teens, my cat & my dog, driving a Volvo & wearing Hugo Boss.

If my comments aren't appreciated, then simply arrange for his & his legal-judicial accomplices' arrest. (The evidence is published at pfi.rocks ... a violation of my illegally-obtained, unlawful 20220524 Probation Order.)

You have knowledge, or ought to have knowledge, of the crime syndicate that has infiltrated 161 Elgin St. and, pursuant to S. 21(1) of the Criminal Code of Canada, should be attempting to report it to FEDERAL law enforcement; not reprimanding me.

Once Sean, Cate, my pets & my home are safely returned to me, my "comments" will be far less upsetting.

PS. To MAG: Cate turns 16 on November 30: I'd like to wish her a happy birthday in person. You've got 44 days left until you're served and your Ministry keeps resetting that 10-day clock. Can we wrap this up this weekend and avoid all that taxpayer-funded theatre?

Good morning.

Is the content in my revised attached form acceptable now? Or, has civil court chosen to go "no-contact" (like family court and criminal court clerks) as you all realize how much crime you have committed against me over the past eight years?

Greetings and salutations Ottawa et al.!

Is everyone in NYC with Sviergula? If not, please respond to my questions below. Also, for your collective convenience, I've posted the \$10M Action against the CAS here: <https://pfi.rocks/organized-crime/entity/cas/cv-23-00061855><sup>1</sup> and it's linked to **TONS** of evidence so you don't need to question the validity of my allegations! (I'll the demons at CAS a bit of time to re-consider before I serve it on them.)

1. Doody? Do you intend to withdraw your [vexatious, vexatious Application](#) so we don't need to expose more crooked [Civil and Divisional court judges](#)? Or, is OPSB still doubling down? (If I don't hear back, then I'll schedule another case conference by end of week so I can try to get you to pay for what will be a **hilarious** cross-examination of your Affidavits. May I'll converse with you in [Johnny Cash](#) again.)
2. Crown? It's been one whole week and I haven't heard from you. The attached action should help with some of the "motive" behind your Ministry's actions/inactions. As this remains a **crime(s)-in-progress**, I trust you've reported it to legitimate law enforcement<sup>2</sup>? My daughter turns 16 in three weeks and it would be nice for her to know the truth for her birthday. Oh, I'd like her and her brother back too. (When is Kiska being hauled off? Lametti's gone. Isn't it time to wrap this up? )

<sup>1</sup> Hopefully Fisher is smart enough avoid exposing more crooked lawyers and judges; though, part of me would **love** watch him add additional counts to his [rap sheet](#).

<sup>2</sup> That is, **not** anyone affiliated with the [Ottawa Police Services Board](#) as it is **pro**-organized crime.

Greetings and salutations Ottawa et al.!

### **Family Court**

Neither opposing counsel nor the court ever forwarded to me **a final, signed copy of attached 20170427 draft order**. Would you kindly forward one to me?

### **Civil Court**

Will there be a decision for CV-22-89804 from the 20230801 hearing soon? It's been over 90 days and I'd really like to update a few pages including, but not limited to, the evidence-laden [Motion page](#); plus, get rolling with the Reply.

### **Criminal Court**

Any chance you'll reveal when my 20220524 "pre-sentencing package" was received by the [Crown](#) or [Brunet](#)? I still need it for, among other things, my Application to have my illegally-obtained, unlawful [20220524 Probation Order](#) reviewed (left-hand column, order on the right).

### **Crown**

You now have [\(at least\) 4-out-of-60-days required Notice](#) of my civil action against your Ministry: do you require additional particulars in order to investigate the torts and crimes being committed by Crown prosecutors, the OCL, Ontario's PG&T and/or the OIPRD? If not, do you require assistance with the investigation? I'm available for hire and happy to charge only triple my 2003 consulting fees of \$375/hour plus expenses plus GST (ie. no benefits, vacation or pension required). My c.v. is here: <https://pfi.rocks/resume-deirdre-moore>; however, as you're not a trust-worthy institution, I'd require a \$75,000 retainer (payable **only** in gold and silver—given the [phasing out of cash](#) and my refusal to accept [digital currency, digital ID or any of the biodigital convergence](#) that eventually will accompany same).

Thanks so much.

Deirdre Moore  
(613) 848-6832

PS. [Fisher](#), how are you enjoying my 20231109 [draft action](#) so far? (I managed to re-publish all of the [2020 SJM materials](#): I'll finish publishing [the massive 2021 appeal file](#) later.) If I were you, I'd turn myself in (if you haven't already) and suggest to your E.D. that your entity make a reasonable offer to settle **before** the my action is published and served (in order to save others' embarrassment). Just a friendly suggestion. 🙄

PPS. [Doody](#), shall I presume you're available at any time over next three weeks for another case management conference in order to (1) delay my cross-examination until either you pay for it or [John Kiska](#) pays, at a minimum, the (currently) nine months of unpaid, below-poverty-level, fraudulently-obtained, court-ordered, measley \$1,230/month spousal support (ie. \$11,070) **and** (2) re-visit the "additional Affidavit" issue as I'll have originated and published **three** additional civil actions (Fisher's, his accomplice Galarneau's and the [Ministry of the Attorney General's](#)) long before team OPSB-BLG-ROMHC-Ottawa's vexatious, vexatious Application is heard? Surely you would want to include such evidence in your allegations of my being vexatious vs. a target of/whistle-blower on your massive Ottawa-based crime syndicate, no?
